Charitable Tax Number 851367367 Tax receipts will be issued for all eligible donations.

Times Are A Changin'

Do you remember the 'good old days', before COVID? Making a donation to Hospice was as easy as putting a cheque in the mail.

Well it's not that easy anymore!

- If you mail it to our office, we have a problem. No one is there to make sure the donation is deposited.
- If we had your cheque in hand, we wouldn't be able to mail it to the bank because no one is there to process them.
- Wiring money is technically possible, but involves service charges and a fuss to make sure that your donation goes to the right place. Once funds are received, we have to be notified so we can issue a tax receipt, but there is no one there to give us a call.
- If you took your donation to our bank to make a third party deposit, you would have to set up prior authorization.

But There Is An Answer.

You can use the form on our web site to make both single and recurring donations with your credit card.

The money goes directly to the Hospice and the system generates your tax receipt as the last step of the transaction.

Make a difference.
